Forward

The Nevada Supreme Court Law Library is pleased to offer the first edition of *How to Locate the Law: A Guide to Locating Nevada Law and Legal Resources*. This guide grew out of a revision of the *AALL Public Libraries Toolkit for Nevada* (updated April 1, 2015) and greatly expands upon the information contained in that guide.

How to Locate the Law: A Guide to Locating Nevada Law and Legal Resources is intended to provide basic information about Nevada legal materials and resources: what they are and how to locate them. It is not intended to substitute for a detailed legal research guide or the advice of a licensed attorney.

We hope this manual will provide guidance to non-law librarians helping patrons seeking Nevada legal information as well as assist legal researchers and those representing themselves in Nevada Courts locate the information they need.

This publication is available free-of-charge from the Nevada Supreme Court Law Library. Website addresses are provided for most of the materials and resources in the publication, thus an electronic version of this guide will best facilitate access.

Readers with questions, comments, or suggestions for future editions of this publication may contact the Nevada Supreme Court Law Library at reference@nvcourts.nv.gov.
